

Transition

Each year Ferny Creek conducts an extensive transition program to introduce pre schoolers to the school program in preparation for their start to school. The children start with less formal sessions and visit various areas of the school. The Prep classroom, the Library and ICT Lab, the Art room, Music room and partake in a P/E session. Please refer to the dates below for the 2009 visits. Two formal sessions are in December each year, and your child should be enrolled by this time. There is a Parent Prep Information session early in December.
