

FERNY CREEK PRIMARY SCHOOL

YARD DUTY AND SUPERVISION POLICY

Help for non-English speakers

If you need help to understand the information in this policy please contact Ferny Creek Primary School.

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Ferny Creek Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Ferny Creek Primary School's grounds are supervised by school staff from 8.45am until 3.45pm. Outside of these hours, school staff will not be available to supervise students.

Before and after school, school staff will supervise the front playground.

Parents and carers will be advised through Compass and newsletters that they should not allow their children to attend Ferny Creek Primary School outside of these hours. Families will be encouraged to contact 'Their Care' 0419 958 268 or refer to www.theircare.com.au for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school

- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at Ferny Creek Primary School are expected to assist with yard duty supervision and will be included in the Play Support Timetable

The Learning Specialist is responsible for preparing and communicating the yard duty roster on a regular basis. At Ferny Creek Primary School, school staff will be designated a specific yard duty area to supervise.

Yard duty/Play Support zones

The designated yard duty areas for our school as of May 2025.

Area A Front playground, oval and undercover area	Support Individual / small group Support
Area B Back playground, stick play, right side of veggie patch of the slope	Area C Left side of veggie patch of the slope

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored at the front office
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored at the front office

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students and that all areas are in line of sight to at least one yard duty teacher (Area A-move in a semi-circle from the front playground to the oval/undercover court, (Area B-move from the chicken coop to the back playground as needed, Area C-move across the top of the slope)
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Learning Specialist with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the office via Webex but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a second message marked Urgent on Webex and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first make contact via Webex for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

Moving Around the School

Students/classes require active supervision when moving between learning spaces.

Teachers **must** walk students from one classroom to another when the whole class is moving, such as going to a specialist class or an alternate learning space.

Students may use internal toilets during learning time at the teacher's discretion.

Students **must move in pairs or threes** when visiting other areas of the school, for example, the office or Wellness Centre.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education [Excursions Policy](#).

Digital devices and virtual classroom

Ferny Creek Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Ferny Creek Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in a designated and appropriate area.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

COMMUNICATION

This policy will be communicated to our school community in the following ways.

- Included in staff induction processes

- Discussed at staff briefings or meetings, as required
- Made available on request

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent at the beginning of each term in our school newsletter.
